Important: Your CD is maturing soon; let's review your options

Dear HARPREET S RANDHAWA:

Thank you for banking with Chase. We want to let you know that your CD ending in 1777 will mature on 05/21/2023. Here's some information about your CD:

Term: 31 Days

Annual Percentage Yield (APY): 0.01%

Projected Value at Maturity: \$15,104.03

We'd like to share some options for your maturing CD. You'll only be able to make changes starting on 05/21/2023 through 05/31/2023.

Meet with a banker to review your current financial goals and discuss your options

- Our bankers are available to:
 - Review our CD rates and terms to help you select a CD that best meets your needs
 - Review other products and services we offer if your needs have changed
 - Transfer some or all of the money from your CD into another Chase account
- To schedule a meeting with a banker, please visit chase.com/meeting. If you are unable to visit a branch but want to make changes, please call us at 1-800-935-9935.

If you don't want to make any changes

Your CD will automatically renew on 05/21/2023 with a new maturity date of 06/21/2023 with these terms:

Term: 31 Days

Interest Compounding: Daily

Interest Payment Frequency: At Maturity

Type of Maturity: Automatically Renewable

Interest rates and APYs vary so they won't be available until your maturity date. You'll receive the rates that are in effect on 05/21/2023, which may be lower than your current rates. To learn your new rates, please call us at the number above after 05/21/2023. In the meantime, you can view our current rates at chase.com/CDmaturity.

We're ready to help

If you have questions, please call us at the number above or visit chase.com/CDmaturity. Remember, you can make changes on 05/21/2023 and through the 10-day grace period which ends 05/31/2023. Changes made after 05/31/2023 may result in an early withdrawal penalty.

Sincerely,
Customer Service
